### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

***Enacted Law Summary***

Public Law 2003, chapter 334 amends the definition of livestock within the jurisdiction of the Department of Agriculture, Food and Rural Resources to include bison, ratites, which include ostriches and emus, and members of the genus lama, which includes llamas and alpacas.

**LD 245**

**An Act To Promote Consistent Protection of the State's Waters**

**PUBLIC 335**

<u>Sponsor(s)</u> PINEAU MARTIN	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-378
---------------------------------------	-----------------------------------	------------------------------------

LD 245 proposed to require landowners owning more than 10,000 acres of forest land to prepare and implement a plan to protect water resources from the impacts of timber harvesting. It proposed stipulating that such a plan would be a public record and requiring the Department of Conservation, Director of the Bureau of Forestry to include in the biennial state of the forest report a summary of progress in developing and implementing the plans.

**Committee Amendment "A" (H-378)** proposed replacing the bill and authorizing the Department of Conservation to proceed with rulemaking to implement a statewide standard for timber harvesting and timber harvesting activities in shoreland areas.

***Enacted Law Summary***

Public Law 2003, chapter 335 authorizes the Department of Conservation to proceed with rulemaking to implement a statewide standard for timber harvesting and timber harvesting activities in shoreland areas. It allows a municipality to retain a municipal ordinance pertaining to timber harvesting and timber harvesting activities in shoreland areas if the ordinance is consistent with laws and rules in effect December 31, 2005. The statewide standards must be adopted by October 1, 2003 with a delayed effective date of January 1, 2006. The Maine Land Use Regulation Commission, the Commissioner of Environmental Protection and the Board of Environmental Protection are directed to amend or repeal their rules as necessary to remove any provisions that duplicate or conflict with the statewide standards. It authorizes the Joint Standing Committee on Agriculture, Conservation and Forestry to report out legislation necessary to implement the statewide standard for timber
