121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 197 proposed to require vehicles used for plowing snow on private ways to be equipped with a rotary amber flashing light.

Committee Amendment "A" (H-25), the Committee majority report, proposed to replace the bill. The amendment proposed to reduce the minimum allowable candlepower of lights on vehicles used for plowing snow on private ways from 1,000,000 to 50 candlepower. The amendment also proposed to require that those vehicles use such a light whenever entering a public way while engaged in a plowing activity.

House Amendment "B" to Committee Amendment "A" (H-77) proposed to specify that a violation of this provision may result only in an oral warning from a law enforcement officer and would prohibit a law enforcement officer from issuing a written warning or a traffic ticket to a person in violation of this provision. (Not adopted)

House Amendment "C" to Committee Amendment "A" (H-78) proposed to clarify that the lights are not required if the vehicle is being used for plowing for which the plow owner or operator is not receiving compensation. (Not adopted)
