Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

MILLS, P WESTON	ONTP MAJ OTP-AM MIN	

LD 345 was carried over from the First Regular Session and proposed to reinstitute the milk handling tax, which was in effect in 1995 and 1996, at the rate of 8¢ per quart on all milk handled for retail sale in Maine. The tax would be paid on a monthly basis by the wholesale handler or, if there was none, by the retail handler. Proceeds of the tax would be paid to the State's General Fund for general purposes of State Government and would not be dedicated to any particular purpose. The bill also proposed to repeal the tax on January 1, 2005.

LD 746

**Resolve, Directing the Joint Standing Committee on Taxation To
Study the State's Participation in the National Streamlined Sales

Bring the State into Conformity with That Agreement**

INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEMOINE STANLEY	ONTP MAJ OTP-AM MIN	H-672

LD 746, a concept draft, was carried over from the First Regular Session and proposed to adopt the model sales and use tax proposal adopted on November 12, 2002 by the national Streamlined Sales Tax Project. The Streamlined Sales Tax Project is a multistate effort to simplify state sales tax laws so that they are more comprehensible to consumers and easier to administer by retailers, including mail order and Internet retailers. Under the model act, states would retain the right to determine whether to tax any item and to set the rate of tax, as well as the right to authorize local option sales taxes. The model act would make consistent among participating states the definitions of items, and each taxing jurisdiction would have only one tax rate rather than multiple rates for different taxable items.

Committee Amendment “A” (H-672) proposed to replace the bill, change it to a resolve and change the title. It would require the Joint Standing Committee on Taxation to analyze and study conformity of the State's sales and use tax laws with the national Streamlined Sales and Use Tax Agreement and make a recommendation regarding conformity, including legislation if necessary, to the First Regular Session of the 122nd Legislature
