121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

RESOLVE 12

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NORBERT	OTP-AM	H-141

LD 286 was a concept draft pursuant to Joint Rule 208. It proposed to align state law with many other states' laws by requiring certificates of title for mobile homes, boats, all-terrain vehicles and snowmobiles.

Committee Amendment "A" (H-141) proposed to replace the original concept draft with a resolve requiring that the Secretary of State study the issue of titling mobile homes, boats, all-terrain vehicles, snowmobiles and other similar types of property not already titled in this State. The amendment proposed that the Secretary of State must include interested parties and report back before January 15, 2004 with recommendations. The amendment proposed that the Joint Standing Committee on Judiciary report out legislation to the Second Regular Session of the 121st Legislature.
