121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

COWGER SAVAGE	OTP-AM	H-74

LD 571 proposed to authorize the Secretary of State to administratively suspend the license of a motor vehicle operator who operated a motor vehicle at an imprudent speed or at a rate of speed that exceeded the maximum speed limit by 30 miles per hour or more and caused an accident that resulted in the death of another person.

Committee Amendment "A" (H-74) proposed to authorize the Secretary of State to suspend without a hearing the license of a motor vehicle operator who, as a condition of bail, has been ordered not to drive. If the bail condition restricts but does not completely preclude vehicle operation, the Secretary of State would be authorized to issue a restricted license containing those restrictions. The amendment also proposed to eliminate the requirement that the Secretary of State notify the driver of an opportunity for a hearing when the license suspension or issuance of a restricted license is based upon a bail order or condition of release. It further proposed to add an emergency preamble and emergency clause to the bill. The amendment was offered in memory of Nicholas Grant, a resident of Hallowell killed in an automobile accident on July 17, 2002.
