121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHERMAN NASS	ONTP	

LD 560 proposed to require that a financial institution or credit union that accepts an application for a residential mortgage for 1 to 4 residential units and requires a title search on the property subject to the mortgage must permit the prospective mortgagor to select a land title company to perform the title search.

LD 563

An Act To Require That Mental Health Workers with LCPC Licenses Are Recognized as Licensed Professionals for Purposes of Insurance Reimbursement

PUBLIC 65

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GLYNN	OTP-AM	H-72 H-84 RINES

LD 563 proposed to mandate that all health care plans reimburse licensed clinical professional counselors for mental health services. The bill applies to all policies and contracts issued or renewed on or after January 1, 2004.

Committee Amendment "A" (H-72) proposed to retain the mandated offer provision in current law, which the bill would remove, that requires health insurers to make available coverage for mental health services provided by professional counselors, marriage and family therapists and pastoral counselors licensed in this State.

The amendment also adds language exempting the bill from a review and evaluation by the Bureau of Insurance before its enactment because the proposal contained in the bill was previously studied.

House Amendment "A" (H-84) was presented on behalf of the Committee on Bills in the Second Reading to prevent a conflict by incorporating changes made to the Maine Revised Statutes, Title 24-A, section 4234-A, subsection 8 in Public Law 2003, chapter 20.

Enacted Law Summary

Public Law 2003, chapter 65 mandates that all health care plans reimburse licensed clinical professional counselors for mental health services. The law retains the provision in current law that requires health plans to offer coverage for mental health services provided by licensed professional counselors, marriage and family therapists and pastoral counselors. The law applies to all policies and contracts issued or renewed on or after January 1, 2004.
