*Summary Of Legislation Before The Joint Standing Committees*

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla/billsumm.htm](http://www.state.me.us/legis/opla/billsumm.htm)).

other programs would be required to give all their employees the same wages and benefits as they give to qualified employees (employees whose hiring qualifies the employer for the economic development incentive).

**Committee Amendment "A" (H-820)** proposed to move the language to a more appropriate location in the Maine Revised Statutes. The amendment proposed to define "living wage" as a wage that would provide sufficient funds to meet the annual basic needs budget developed pursuant to law by the State Planning Office. It also proposed to require that the group health insurance provided by a business receiving an economic development incentive must be at least as comprehensive and beneficial as Dirigo Health Insurance. The amendment proposed to add a requirement that businesses must allow employees to return to their jobs following a strike or lockout. The amendment proposed to add a provision to the law governing the Business Equipment Tax Reimbursement program to deny reimbursement to a company that is in bankruptcy.
