121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 575 An Act To Encourage Workers' Compensation Dispute Resolutions CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH W EDMONDS		

LD 575 proposes to authorize the Workers' Compensation Board to levy a \$500 surcharge on an employer if, at the conclusion of mediation, the employee obtains or retains more benefits than the employer had offered prior to mediation. The bill also proposed to levy a \$1,500 surcharge on an employer if, at the conclusion of a formal hearing, the employee obtains or retains more benefits than the employer had offered prior to the hearing. The surcharges would be deposited in a dedicated fund to be used to defray the costs of the worker advocate program.

LD 575 was reported out of committee on a divided report (OTP-AM and ONTP), but was re-referred to committee and carried over.

LD 589 An Act To Create a Woods-related Bargaining Council ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN SMITH W	ONTP	

LD 589 was a concept draft that proposed to set up a bargaining council to allow loggers and independent truckers engaged primarily in the forest industry to bargain collectively. The council would be modeled on the Maine Agricultural Bargaining Board. See also LD 1318.

LD 658 An Act To Improve the Operation of the Workers' Compensation Board PUBLIC 382

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH W EDMONDS	OTP-AM MAJ ONTP MIN	H-57

LD 658 proposed to move authority to review appointments to the Workers' Compensation Board from the Legislature's committee on state and local government matters to the committee on labor matters. It proposed to authorize the Workers' Compensation Board to appoint the general counsel and the executive director of the Board for 5-year terms, removable by vote of a simple majority of the Board. It proposed to authorize the general counsel and the executive director to hire the remaining personnel, including hiring or contracting for hearing officers for 5-year terms. It proposed to direct the executive director to submit the biennial and annual budgets, and to allow the board to expend up to 10% of the Workers' Compensation Board Administrative Fund in a fiscal year for unanticipated expenses, without legislative approval.

Committee Amendment "A" (H-57) proposed to delete all sections of the bill except the section that moves authority to review nominations of Workers' Compensation Board members from the joint standing committee having jurisdiction over state and local government matters to the committee having jurisdiction over labor matters.
