121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 722

An Act to Protect Against Unlawful Sexual Touching

PUBLIC 138

<u>Sponsor(s)</u> SMITH N	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-155 H-257 SMITH N
------------------------------	-----------------------------------	---

LD 722 proposed to criminalize intentional sexual contact with a person who is either 14 or 15 years of age and is not the actor's spouse when the actor is at least 10 years older than the other person. The bill proposed that this form of sexual abuse of a minor is a Class D crime. The bill proposed that it would be a defense to a prosecution for the new crime that the actor reasonably believed the other person to be at least 16 years of age.

Committee Amendment "A" (H-155) proposed to change the title of the bill and create the new crime of unlawful sexual touching. The amendment proposed that "sexual touching" means any touching of the breasts, buttocks, groin or inner thigh, directly or through clothing, for the purpose of arousing or gratifying sexual desire or for the purpose of causing bodily injury or offensive physical contact. The crime of unlawful sexual touching was modeled after the current crime of unlawful sexual contact. The amendment also proposed to add a fiscal note.
