121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act To Continue Necessary State Funding of Freestanding, Nonprofit Psychiatric Hospitals for Services Provided to Indigent Patients and for Other Purposes

CARRIED OVER

Sponsor(s)
MARTIN

Committee Report

Amendments Adopted

LD 716 proposes to provide necessary funding to reimburse the State's two freestanding, nonprofit psychiatric hospitals for services provided to indigent patients when these expenses can not be reimbursed by the Medicaid or Medicaid Disproportionate Share programs. The bill also proposed to provide funds to meet shortfalls projected at Augusta Mental Health Institute and Bangor Mental Health Institute. Of the \$18,000,000 sought for fiscal year 2003-04, \$10,000,000 was projected to be needed for the two freestanding, nonprofit psychiatric hospitals and \$8,000,000 was needed for AMHI and BMHI. The figures were based on preliminary estimates of the Department of Human Services.

The bill also proposes to require the Commissioner of Human Services and the Commissioner of Behavioral and Developmental Services to continue to work with these hospitals to advocate for the elimination of the federal cap on disproportionate share funds that are available for institutes for mental disease, or for other federal reforms that would ensure adequate federal funding for the population served by these hospitals. Similar provisions for prior fiscal years were enacted in Public Law 2001, chapter 559, Part X, sections 9 and 10.
