121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Judiciary

LD 741 proposed to allow the Chief Judge of the District Court to authorize the family law magistrates to wear robes when presiding over any proceeding. Family law magistrates would be given the power of contempt that judges and justices currently have.

Committee Amendment "A" (H-82) proposed to replace the bill, but retain 3 of the central proposals of the bill:

1. Give the family case management officers the power to issue writs of habeas corpus for the attendance at proceedings by parties that are incarcerated;
2. Give the family case management officers the authority to issue orders to provide access to confidential information in the custody of the Department of Human Services; and
3. Give family case management officers the power to respond to contempt occurring in the presence of the family case management officer, which the family case management officer either saw or heard.

Enacted Law Summary

Public Law 2003, chapter 84 makes several changes to the law governing the Family Division of the District Court.

It gives the family case management officers the power to issue writs of habeas corpus for the attendance at proceedings by parties that are incarcerated.

It gives the family case management officers the authority to issue orders to provide access to confidential information in the custody of the Department of Human Services.

It also gives family case management officers the power to respond to contempt occurring in the presence of the family case management officer, which the family case management officer either saw or heard.
