121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Inland Fisheries and Wildlife

Enacted Law Summary

Public Law 2003, chapter 331 simplifies the tagging and registration requirements for harvested animals by providing the same tagging and registering requirements for bear, deer, moose and wild turkey. It allows a person to transport a harvested animal if that animal is lawfully harvested and possessed by that person. Additionally, it removes the requirement that tags be issued as part of the hunting license and makes a violation of registration requirements a Class E crime.

LD 827

An Act Regarding Wildlife Habitat Conservation

CARRIED OVER

Sponsor(s)	Committee Report	Amendments Adopted
DUNLAP		
EDMONDS		

LD 827 proposes to allow the Commissioner of Inland Fisheries and Wildlife to enter into an agreement with a landowner to manage a parcel of land in the unorganized territory as wildlife habitat. An agreement may include a provision that exempts the parcel of land that is the subject of the agreement from the property tax. For a landowner who owns more than 1,000 acres in the unorganized territory, it proposes that no more than 15% of that landowner's holdings in the unorganized territory may be the subject of an agreement to manage the land as wildlife habitat.

LD 854 An Act To Amend the Laws Governing the Operation of All-terrain CARRIED OVER Vehicles

Sponsor(s)	Committee Report	Amendments Adopted
LANDRY		

LD 854 proposes to:

- 1. Make certain civil violations involving ATVs Class E crimes;
- 2. Allow the impoundment of an ATV for certain violations based solely on those violations;
- 3. Increase the resident registration fee for ATVs to \$25, unless the person belongs to an ATV club or organization, in which case the fee is \$20; and
- 4. Require the Commissioner of Inland Fisheries and Wildlife to appoint an additional game warden for each warden division of the State.
