121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> TRAHAN	<u>Committee Report</u> OTP-AM MAJ ONTP MIN	<u>Amendments Adopted</u> H-520
-----------------------------	---	------------------------------------

LD 890 proposed to restrict application of the fingerprinting and background check requirements to newly hired educational personnel. This bill proposed to authorize the Maine State Police and the Commissioner of Education to release certain general information relating to the fingerprinting and criminal history record checks of educational personnel.

Committee Amendment “A” (H-520) was the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment proposed to change the title and proposed to strike and replace the bill. The amendment proposed to accomplish the following:

1. It proposed to clarify that, beginning on August 15, 2003 the fingerprinting and criminal history record check requirements for educational personnel would be limited to applicants for initial certification, authorization and approval from the Department of Education under the Maine Revised Statutes, Title 20-A, chapters 501 and 502.
2. It proposed to include in the definition of "applicant" a person who applies for a position that requires certification or authorization and who holds a valid credential from another state, including a state that is a party state to an interstate agreement on qualifications of educational personnel under Title 20-A, chapter 511.
3. It proposed to exclude from the definition of "applicant" a person who is an applicant for renewal of certification, authorization and approval from the Department of Education under Title 20-A, chapters 501 and 502.
4. It proposed to remove the provision from the bill that would have authorized the Maine State Police and the Commissioner of Education to release statistics and certain general information relating to the fingerprinting and criminal history record check of educational personnel.
