121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

PUBLIC 336

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH W MARTIN	OTP-AM MAJ ONTP MIN	H-341

LD 860 proposed to allow smelt fishing by use of a dip net on that part of Long Lake and its tributaries in Township 17, Range 3, Aroostook County. The bill also proposed to set the bag limit at 2 quarts per person.

Committee Amendment "A" (H-341) is the majority report of the Joint Standing Committee on Inland Fisheries and Wildlife and proposed to replace the bill. It would allow the recreational harvest of smelt on certain portions of Long Lake and proposed to make a violation of the daily bag limit a Class E crime. It also proposed to make the commercial harvest of smelt in those portions of Long Lake a Class D crime with a minimum fine of \$1,000. The authority to harvest smelt under this amendment would be repealed December 31, 2005.

Enacted Law Summary

Public Law 2003, chapter 336 allows for the recreational harvest of smelt on portions of Long Lake until December 31, 2005. It makes exceeding the daily bag limit a Class E crime and the commercial harvests of smelt in those portions of Long Lake a Class D crime with a minimum fine of \$1,000.
