Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

LD 1087

An Act To Require All Health Insurers To Cover the Costs of Hearing Aids

DIED BETWEEN BODIES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDMONDS	OTP-AM A	
LAVERRIERE-BOUC	ONTP B	
	OTP-AM C	

LD 1087, which was carried over from the First Regular Session, proposed to require health insurance policies and contracts to provide coverage for the purchase of a hearing aid from a licensed audiologist or hearing aid dealer for a person whose hearing loss has been documented by a physician or licensed audiologist.

Committee Amendment "A" (S-358) is the minority report and replaced the bill. It proposed to require health insurance policies, contracts and certificates to provide coverage for hearing aids for persons 21 years of age and under. The provisions would apply to all policies, contracts and certificates issued or renewed on or after January 1, 2005. Committee Amendment "A" was not adopted and LD 1087 was recommitted to the Committee on Insurance and Financial Services.

Committee Amendment "B" (S-394) replaced the bill and is the majority report of the committee. It proposed to require health insurance policies, contracts and certificates to provide coverage for hearing aids for persons 18 years of age and under. The amendment would allow insurance policies to limit coverage to \$1,400 per hearing aid every 36 months. The provisions would apply to all policies, contracts and certificates issued or renewed on or after January 1, 2005.

The amendment also added an appropriations section to cover additional costs for the state employee health insurance program and added language authorizing additional expenditures if costs of providing coverage of hearing aids to state employees and their dependents exceed legislative allocations. Committee Amendment "B" was adopted in the Senate, but was not adopted in the House.

Committee Amendment "C" (S-395) replaced the bill and is the minority report of the committee. It proposed to establish a mandated offer for coverage for hearing aids under individual and group health insurance policies. The amendment would allow insurance policies to limit coverage to \$1,400 per hearing aid every 36 months. The provisions would apply to all policies, contracts and certificates issued or renewed on or after January 1, 2005. Committee Amendment "C" was not adopted.
