121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1243

An Act To Exclude Inclined Stairway Chairlifts from the Definition of Elevator

PUBLIC 292

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ANNIS	OTP-AM	H-360

LD 1243 proposed to remove inclined stairway chairlifts from the definition of "elevator," to establish an annual inspection fee cap of \$50 for such chairlifts and to direct the Board of Elevator and Tramway Safety to propose any changes to the laws governing the installation, operation, maintenance and use of such chairlifts necessitated by the exclusion of inclined stairway chairlifts from the definition of "elevator."

Committee Amendment "A" (H-360) proposed to exempt an inclined stairway chairlift from the definition of "elevator." The amendment proposed to replace the bill's definition of "inclined stairway chairlift" with new language that defines the device as a mechanized chair apparatus running on a track or rail along the side of a staircase. The amendment also proposed to remove these chairlifts from regulation and oversight by the Board of Elevator and Tramway Safety altogether.

The committee also directed that a letter be sent to the Joint Standing Committee on Health and Human Services requesting that chairlifts be included in that committee's review of the Department of Human Services' rules concerning assisted housing programs.
