121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act To Strengthen Maine's "Do Not Call" List

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN BROMLEY	ONTP	

LD 1317 proposed to regulate telephone solicitation by consolidating various laws regarding telemarketers found in different sections of the Maine Revised Statutes. The bill also proposed the following:

1. To change the scope of the application of telemarketing laws to include all telemarketers, regardless of their place of business. Calls made by nonprofit charitable organizations and political organizations would be exempt;
2. To prohibit a telemarketer from blocking the display of its phone number from the consumer being called (See LD 331);
3. To continue the current restrictions on the use of automated telephone calling devices to make telemarketing calls;
4. To require telemarketers making solicitations via facsimile to provide the name and address of the person making the solicitation, as well as a toll-free telephone number that must be answered by an individual on weekdays between the hours of 9 a.m. and 5 p.m. or that automatically deletes the specified telephone number of the caller from the telemarketer's database;
5. To require the Attorney General to establish, either in-house or through a contract with a private vendor, the Maine do-not-call list, a database of names, addresses and telephone numbers of consumers in this State who object to receiving unsolicited telemarketing or telephone calls;
6. To allow telemarketers to purchase the Maine do-not-call list from the Attorney General for a fee not to exceed \$75 and prohibit telemarketers from calling consumers listed on the Maine do-not-call list;
7. To allow an action to be brought against a telemarketer by the Attorney General, by a state agency that licenses the telemarketer or by the affected consumer. A violation would be punishable by a civil penalty or administrative penalty of up to \$3,000 for each violation; and
8. To require the Attorney General to report to the Legislature every 2 years regarding the Maine do-not-call list, complaints and enforcement actions and any suggested changes for improving the regulation of telemarketing.
