Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

- CON RES XXX..... Chapter # of Constitutional Resolution passed by both Houses
- CONF CMTE UNABLE TO AGREE Committee of Conference unable to agree; bill died
- DIED BETWEEN BODIES..... House & Senate disagree; bill died
- DIED IN CONCURRENCE..... One body accepts ONTP report; the other indefinitely postpones the bill

Four bills (LD's 1572, 1629, 1636 and 1637) that were considered at the First Special Session in August 2003 are also included in these summaries.

Joint Standing Committee on Education and Cultural Affairs

7. It establishes that a parent who has control of a child and is primarily responsible for that child may be adjudicated for failing to comply with the habitual truancy laws and may be subject to a civil violation and to a fine of at least \$25.

Public Law 2003 chapter 688, part H, was enacted as an emergency measure effective May 7, 2004.

Note: Public Law 2003, chapter 688, part H, which enacted LD 1916, (An Act to Make Additional Corrections of Errors and Inconsistencies in the Laws of Maine), corrects Public Law 2003, chapter 533 by repealing a cross-reference to a repealed section of law that was inadvertently not addressed in the committee amendment and which resulted in a conflict and inconsistent provision in the compulsory attendance provisions of the education statutes. The compulsory attendance provision that contains this cross-reference relates to the authority of a school board to provide a waiver to a student who has been determined to be a habitual truant and who is 15 years of age or older. Public Law 2003, chapter 688, part H, repeals that cross-reference and removes the conflict and inconsistent compulsory attendance provision.

LD 1344

An Act To Give Teachers a Greater Voice in School Improvement

**DIED IN
CONCURRENCE**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NORTON	ONTP MAJ	
EDMONDS	OTP-AM MIN	

LD 1344 was carried over from the First Regular Session and proposed to redefine as "working conditions" several specific issues that case law has identified as "educational policy." This proposed modification to the bargaining law would allow school districts and school employees to negotiate such issues as preparation and planning time, work assignments and procedures for the evaluation of teachers.

Committee Amendment "A" (H-804), which was the minority report of the Joint Standing Committee on Education and Cultural Affairs, proposed to strike and replace the bill and, like the bill, proposed to state that school boards and bargaining agents for teachers may negotiate certain "educational policies" and proposed to clarify that school boards and bargaining agents are neither prohibited from nor required to negotiate on these issues.

The amendment also proposed to specify that the provisions of collective bargaining agreements that constitute, relate to, affect or concern "educational policies" that are bargained and agreed to are valid and enforceable for the term of the agreement and are subject to the grievance and arbitration procedures of the agreement unless expressly excluded from the grievance or arbitration procedures. (Not adopted)

Note: Several floor amendments were offered, but were not adopted.
