#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

#### Joint Standing Committee on Labor

LD 1350 An Act To Assist Seasonal Workers with Workers' Compensation

DIED IN CONCURRENCE

Sponsor(s)	Committee Report		Amendments Adopted
JACKSON	OTP-AM	MAJ	
<b>EDMONDS</b>	ONTP	MIN	

LD 1350 proposed to remove the provision in the workers' compensation law that classifies agricultural, harvesting or forest products workers as seasonal workers for purposes of determining their "average weekly wage," regardless of whether they worked more than 26 weeks in a year.

LD 1352 An Act To Amend the Benefit for Accidental Death in the Line of Duty for Law Enforcement Officers

ONTP

Sponsor(s)	Committee Report		Amendments Adopted
RICHARDSON J	ONTP	MAJ	
HATCH PH	OTP-AM	MIN	

LD 1352 proposed to provide that, for purposes of determining whether beneficiaries of a law enforcement officer are entitled to the accidental death benefit provided by the Maine State Retirement System, a law enforcement officer is presumed to have died in the course of employment if the officer dies as a result of hypertension or heart disease, and a prior physical examination at the time the member became a law enforcement officer or after had not shown evidence of hypertension or heart disease.

Committee Amendment "A" (H-202) proposed to replace the bill. Instead of providing a presumption of work-related death under the Maine State Retirement System laws, this amendment proposed to extend to law enforcement officers an existing presumption under the workers' compensation law relating to firefighters. It proposed to provide that a law enforcement officer who suffers cardiovascular injury or disease or pulmonary disease is presumed to have suffered a compensable injury under the Maine Workers' Compensation Act of 1992 if the law enforcement officer was an active officer for at least 2 years and the injury or disease or death from the injury or disease occurs within 6 months after active duty. The presumption would be rebuttable. This amendment was not adopted.

LD 1380 An Act To Promote Safety and Fair Labor Practices for Forestry CARRIED OVER Workers

Sponsor(s)	Committee Report	Amendments Adopted
FAIRCLOTH		_
<b>EDMONDS</b>		

LD 1380 proposes to enact laws to protect workers who perform reforestation activities, on a temporary or seasonal basis, from unsafe, unhealthy or unfair working conditions. It proposes to require the employer to provide and pay for (1) protective clothing, gear and necessary equipment; (2) safe transportation to the work site that meets the standards provided in the federal Migrant and Seasonal Agricultural Worker Protection Act as well as
