121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1439

An Act To Protect Young Drivers and Passengers

PUBLIC 286

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVAGE USHER	OTP-AM	S-159

LD 1439 proposed to establish a 3-step graduated licensing system for new drivers under 21 years of age that would consist of a supervised instruction permit, an intermediate license and an unrestricted license. The bill proposed to make the following specific changes to implement the graduated licensing system:

1. Extend the period a person under 21 years of age must hold an instruction permit from 3 months to 6 months before making application for a driver's license;
2. Repeal the existing interim license laws and enacted a new intermediate license law. The new provisions prohibited a new licensee under 18 years of age from carrying passengers, except designated individuals, and from driving between the hours of 12 a.m. to 5 a.m. for a period of 180 days. The new provisions also required extension of the intermediate license in cases of violations of the conditions by the licensee; and
3. Require mandatory license suspensions for violations occurring during the term of provisional licenses.

Committee Amendment "A" (S-159) proposed to prohibit a person who has been issued an instruction permit or an intermediate driver's license from driving while using a mobile telephone. The amendment also proposed to reduce the periods of suspension for violations during the term of provisional licenses.
