121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1453

An Act To Allow for Immediate Unemployment Fact-finding Interviews for Able and Availability Issues

PUBLIC 163

Sponsor(s)Committee ReportAmendments AdoptedEDMONDSOTP-AMS-81

LD 1453 proposed to allow the Department of Labor, Bureau of Unemployment Compensation, to hold an immediate fact-finding interview when an individual submits information in a weekly unemployment claim indicating the claimant was not available for work during some part of the claim week and to modify the benefit check amount based on the information provided by the claimant during the fact-finding interview.

Committee Amendment "A" (S-81) proposed to incorporate a fiscal note.

Enacted Law Summary

Public Law 2003, chapter 163 allows the Department of Labor, Bureau of Unemployment Compensation, to hold an immediate fact-finding interview when an individual submits information in a weekly unemployment claim indicating that the claimant was not available for work during the claim week. The Department may modify the benefit check amount accordingly based on the information provided by the claimant during the fact-finding interview.

LD 1476 An Act To Improve Timeliness of Unemployment Trust Fund Deposits

PUBLIC 164

<u>Sponsor(s)</u> <u>Committee Report</u> <u>Amendments Adopted</u> SMITH W OTP-AM H-147

LD 1476 would help to ensure the more timely deposit of unemployment insurance contributions into the Unemployment Trust Fund, as required by the Federal Deposit Standard. Currently the interagency cooperation that requires the combined payment for unemployment insurance contributions and income tax withholding is deposited into a combined unemployment insurance contributions and income tax withholding account, and the unemployment insurance contributions portion is subsequently deposited into the clearing account as is now required under the Maine Revised Statutes, Title 26, section 1161. The reconciliation and clearance process in 2 accounts is not efficient cash management and is an unnecessary duplication. It delays the timely deposit of contributions into the Unemployment Trust Fund, resulting in a loss of interest, and creates conditions that impede meeting the Federal Deposit Standard.

Committee Amendment "A" (H-147) proposed a technical amendment to clarify that only the unemployment compensation money in the combined account is deposited in the Unemployment Trust Fund.

Enacted Law Summary

Public Law 2003, chapter 164 modifies the process for depositing unemployment insurance contributions from employers into the Unemployment Trust Fund to eliminate delays in the deposit. Currently there is a 2-step process, which is inefficient and creates conditions that may not meet federal standards.
