121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act Repealing the Charter of the Brewer Water District

<u>Sponsor(s)</u>		<u>Committee Report</u> OTP-AM MAJ ONTP MIN		<u>Amendments Adopted</u> S-176
-------------------	--	---	--	------------------------------------

LD 1594, required by Private and Special Law 2001, chapter 66, proposed to dissolve the Brewer Water District. All powers, property and obligations of the Brewer Water District have been transferred to the City of Brewer pursuant to Private and Special Law 2001, chapter 66. Section 3 of the bill proposed to establish 3 sources of supply for use by the City of Brewer that were mentioned in a 1909 Brewer Water District charter that failed to be approved in a referendum (Private and Special Law 1909, chapter 265).

Committee Amendment "A" (S-176), which was the majority report of the Joint Standing Committee on Utilities and Energy, proposed to make the following changes to the bill.

1. It proposed to make a technical change to clarify the extent of the repeal of the law creating the Brewer Water District.
2. It proposed to remove section 3 of the bill, which would have authorized the City of Brewer to take water from several ponds from which the former Brewer Water District did not have authority to take water.
3. It proposed to preserve a provision from the charter of the former Brewer Water District relating to the water quality of Hatcase Pond.
