121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1552

**An Act To Allocate a Portion of the Reed Act Distribution of 2002
To Use for the Administration of the Unemployment Insurance and
Employment Services Programs**

P & S 23

<u>Sponsor(s)</u> EDMONDS TREADWELL	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> S-180
---	-----------------------------------	------------------------------------

LD 1552 proposed to authorize the Department of Labor to use \$9.76 million of the approximately \$32.5 million distributed to Maine by the federal government in 2002 under the Reed Act. Permitted uses of the funds include maintenance and operation of the State's unemployment and employment offices, expanded information services, expanded customer access options for program services; toll-free customer access to unemployment services delivered via telephone; technology upgrades; and the repair and accessibility upgrade of the facility in Augusta. The sum of \$22,786,816 of the Reed Act funds would remain in the federal Unemployment Trust Fund to pay unemployment benefits when needed.

Committee Amendment "A" (S-180) proposed to add an appropriations and allocations section to the bill.

Enacted Law Summary

Under federal law, money in the federal Unemployment Trust Fund may be distributed to the states, to be used for state unemployment and employment services programs, when the balance in the federal Trust Fund exceeds a certain amount. Such a distribution is known as a "Reed Act" distribution. Maine received a Reed Act distribution in 2002 of \$32,486,816.

Private and Special Law 2003, chapter 23 authorizes the use of \$9,760,000 of these funds to maintain and operate the State's unemployment and employment offices, including expanded unemployment, employment and labor market information program services for workers and employers in the State; expanded customer access options for program services; toll-free customer access to unemployment services delivered via telephone; technology improvements; and accessibility improvements to the offices in Augusta. The remainder of the Reed Act funds would remain in the federal Unemployment Trust Fund, accessible by the State, to pay unemployment benefits when needed.
