Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

An Act To Provide Reciprocal Authority to New Hampshire Marine Patrol Officers To Investigate Potential Terrorist Activities in Maine Waters

**PUBLIC 519
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON BULL	OTP-AM	S-364

Public Law 2003, chapter 519 proposed to give New Hampshire marine patrol officers the authority to investigate potential terrorist activities in Maine waters in the Piscataqua River or Portsmouth Harbor. This bill would have taken effect when reciprocal authority was granted to the Maine marine patrol officers in New Hampshire waters.

Committee Amendment "A" (S-364) proposed to add an emergency measure and clarify that when New Hampshire marine patrol officers are investigating potential terrorist activities in Maine waters of the Piscataqua River or Portsmouth Harbor those officers would be entitled to the same immunities granted to Maine marine patrol officers. The amendment also proposed a conditional repealer that would take effect if New Hampshire repealed its reciprocal statutory language. Finally, the amendment proposed to require the Commissioner of Marine Resources to notify the Secretary of State of New Hampshire if this section of law was repealed or amended to significantly alter its application.

Enacted Law Summary

Public 2003, chapter 519 grants New Hampshire marine patrol officers the authority to investigate potential terrorist activities in Maine waters in the Piscataqua River or Portsmouth Harbor and are provided the same immunities granted to Maine marine patrol officers during the course of those activities.

Public 2003, chapter 519 will only take effect if New Hampshire enacts reciprocal authority to the Maine marine patrol officers, in order that they may investigate potential terrorist activities in New Hampshire waters. It also provides that the provisions of this law are repealed if New Hampshire should repeal its reciprocal statutory language.

Public 2003, chapter 519 requires the Commissioner of Marine Resources to notify the Secretary of State of New Hampshire if this section of law is repealed or amended to significantly alter its application.

Public 2003, chapter 519 was enacted as an emergency measure effective February 19, 2004.
