Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Four bills (LD's 1572, 1629, 1636 and 1637) that were considered at the First Special Session in August 2003 are also included in these summaries.

Joint Standing Committee on Utilities and Energy

LD 1730 proposed to create 3 positions within the Public Utilities Commission. The new positions, a director, an analyst and a secretary, would oversee and carry out activities related to energy efficiency activities. Funds for these positions would be allocated from the Conservation Administration Fund.

Committee Amendment "A" (H-761), which was the majority report of the Joint Standing Committee on Utilities and Energy, proposed to incorporate a fiscal note.

Enacted Law Summary

Public Law 2003, chapter 606 creates 3 positions within the Public Utilities Commission. The new positions, a director, an analyst and a secretary, are created to oversee and carry out activities related to energy efficiency activities. Funds for these positions are allocated from the Conservation Administration Fund.

LD 1740

An Act To Make Electricity Provider Do-not-call Requirements Consistent with State and Federal Requirements

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLISS HALL	ONTP	

LD 1740 proposed to replace the special statutory limitations on telemarketing by competitive electricity providers, which require the Public Utilities Commission to maintain a "do-not-call list," with a reference to the federal and state "do-not-call" telemarketing limitations. (See LD 1741.)

LD 1741

An Act To Amend the Laws Relating To Requirements for Competitive Electricity Providers

PUBLIC 558

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLISS HALL	OTP-AM	H-718

LD 1741 proposed to replace the requirement that a competitive electricity provider annually provide certain information disclosures to all consumers with the requirement that the provider annually provide the information to all residential and small commercial consumers.

Committee Amendment "A" (H-718) proposed to add provisions to the bill relating to the laws governing competitive electricity providers. It proposed to change the title to reflect these additions. The additions were taken from other legislation introduced this session (LD 1740) and were brought into this bill to avoid a technical conflict: they replace the special statutory limitations on telemarketing by competitive electricity providers, which require the Public Utilities Commission to maintain a "do-not-call list," with a reference to the federal and state "do-not-call" telemarketing limitations.
