Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 1780 proposed to requires municipalities to submit copies of their annual budgets to the State Planning Office, which would compile the information and make it available on a publicly accessible site on the Internet. Under the proposed bill, a municipality that failed to submit a copy of its budget as required would be ineligible to receive funds under state-municipal revenue sharing.

Committee Amendment "A" (H-807) proposed to replace the bill with a resolve and direct the office of the Chief Information Officer within the Department of Administrative and Financial Services, the Executive Department, State Planning Office and the Department of Audit to create a publicly accessible site on the Internet through a pilot project that would include voluntary submission by municipalities and counties of their budgets. It proposed to require those entities to invite a representative of the Maine Municipal Association to take part in the development of the pilot project. It also proposed to require the lead agency to report to the joint standing committee of the Legislature having jurisdiction over state and local government matters by January 14, 2005 with recommendations on creating a permanent publicly accessible site on the Internet for this purpose.
