Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

LD 1810 proposed to amend the laws concerning optional membership for participating local districts in the Maine State Retirement System to parallel changes made for state employees in the system in 2003.

Committee Amendment "A" (H-790) proposed to replace the bill with language that more accurately achieves the purpose of the original bill. It proposed to make the law regarding purchase of service credit for optional members the same for participating local district optional members as it is for optional members in the other retirement programs administered by the Maine State Retirement System.

House Amendment "A" to Committee Amendment "A" (H-818) proposed to make a technical correction and to reformat the subsection to improve readability.

Enacted Law Summary

Public Law 2003, chapter 630 amends the laws concerning the purchase of service credit by employees whose membership in the Maine State Retirement System (MSRS) is optional ("optional employees"), to remove limitations on such purchases.
