*Summary Of Legislation Before The Joint Standing Committees*

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla/billsumm.htm](http://www.state.me.us/legis/opla/billsumm.htm)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

- CONF CMTE UNABLE TO AGREE ..... Committee of Conference unable to agree; bill died

OTP-AM

Amendments Adopted  
S-448

LD 1858 proposed to amend the point system for clearing vegetation adjacent to protected natural resources pursuant to Joint Order 2004, S.P. 684. It proposed to change the definition of "well-distributed stand of trees" by increasing the area from a 25-foot by 25-foot square area to a 25-foot by 50-foot rectangular area and by changing the rating system. The bill also proposed to prohibit a landowner or lessee from aggressively eliminating all woody vegetation that exceeds 3 feet in height.

**Committee Amendment "A" (S-448)** proposed to require that no more than 50% of the points of a 25-foot by 50-foot rectangular area may consist of trees greater than 12 inches in diameter. It also proposed to require that existing vegetation under 3 feet in height and other ground cover and at least 5 saplings less than 2 inches in diameter at 4 1/2 feet above ground level for each 25-foot by 50-foot area must be retained. It also proposed that rules adopted by the Board of Environmental Protection and the Department of Conservation, Maine Land Use Regulation Commission pursuant to this Act are routine technical rules.
