Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 1877 proposed to provide a General Fund bond issue in the amount of \$20,000,000 to be used to support applied research and to provide for equity investments in promising Maine companies, public improvements in cultural buildings, weatherization and family and elderly housing, school renovations and improvements at the Raymond H. Fogler Library. Under this bond, the funds provided by this bond issue, in the amount of \$20,000,000, would be used for the following purposes:

1. Five million dollars for Maine Technology Institute Natural Resources Applied Research Fund competitive grants for applied research in natural-resource-based industries, including forest bio-products, marine fisheries and agriculture. These funds leverage \$5,000,000 in required matching funds;
2. Two million dollars for the Small Enterprise Growth Fund for equity investments in small Maine companies with potential for high growth. These funds leverage private equity investments;
3. One million dollars for the New Century Community Program for communities with a Pine Tree Development Zone designation for capital improvements to cultural resources;
4. Two million dollars for weatherization of single and multifamily homes occupied by low-income persons;
5. Two million dollars for family and elderly housing options for Native American tribes through the Four Directions Development Corporation. These funds would help attract \$2,000,000 in federal funds;
6. Six million dollars for repairs, improvements and renovations to public schools. The funds leverage \$3,000,000 in matching local funds; and
7. Two million dollars for critical improvements and expansion plans for the Raymond H. Fogler Library at the University of Maine, the state research library for business, science and technology.
