122nd Legislature First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Sponsor(s)	Committee Report	Amendments Adopted
BROWN	OTP-AM	H-354

LD 70 proposed to require the State to pay the cost of holding special elections allowed by the Legislature by reimbursing municipalities for the election costs directly incurred.

Committee Amendment "A" (H-354) proposed to replace the bill. It would provide that the State reimburse municipalities for the costs of conducting a special election for the purpose of voting on bonds. Reimbursement rates would be based on the population of a municipality.

This bill was carried over on the Special Appropriations Table by S.P. 640 to the next special or regular session of the 122nd Legislature.
