First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Criminal Justice and Public Safety

Enacted law summary

Public Law 2005, chapter 69 makes 2 parallel changes to the Maine Revised Statutes, Title 17-A, section 752-B regarding interference with law enforcement dogs. First, it adds to each of the 2 offenses an element currently there by implication, which is that the dog intentionally or knowingly mistreated is in fact certified for law enforcement use. Second, Public Law 2005, chapter 69 eliminates from each of the 2 offenses the current element that the actor knows or should know of the dog's certification and replaces it with a requirement that the actor knows or should know that the dog is used for law enforcement purposes.

SNOWE-MELLO FLETCHER	OTP-AM	S-67

LD 83 proposed to create the Class C crime of unlawful use of a scanning device or reencoder. LD 83 proposed that a person is guilty of this crime if, without the card user's permission, the person intentionally or knowingly uses a scanning device or a reencoder to capture encoded information from a magnetic strip or stripe on a credit card, debit card or other payment card with the intent to defraud the card user, issuer or merchant. The bill further proposed that a person who has 2 or more convictions for this offense commits a Class B crime.

Committee Amendment "A" (S-67) proposed to replace the bill and to create the Class D crime of misuse of a scanning device or a reencoder. The amendment proposed that a person is guilty of misuse of a scanning device or a reencoder if the person intentionally or knowingly uses a scanning device or a reencoder without the permission of an authorized payment card user to capture encoded information from the user's payment card with the intent to defraud that authorized payment card user, the issuer of the authorized payment card user's payment card or another person.
