Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

PUBLIC 340

<u>Sponsor(s)</u> KOFFMAN NUTTING J	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-484 S-309 NUTTING J
---	-----------------------------------	---

LD 204 proposed additional statutory requirements for the type of shelter that must be available for a dog to protect it from inclement weather and for the type of chaining device that confines an animal.

Committee Amendment "A" (H-484) proposed replacing the bill. It proposed tethering and shelter standards specific to dogs that are confined outside on tethers for long periods and modification of those standards that are appropriate for arctic breeds.

House Amendment "A" to Committee Amendment "A" (H-546) proposed reducing the required chain or tether length for arctic breeds to 1.5 times the length of the dog if the anchor is a pivot point allowing a 360° area of movement.

Senate Amendment "A" to Committee Amendment "A" (S-309) proposed changes to the criminal provision for animal cruelty consistent with the changes for civil violations made in House Amendment "A" to Committee Amendment "A."

Enacted law summary

Public Law 2005, chapter 340 establishes tethering and shelter standards specific to dogs that are confined outside on tethers for long periods. It establishes standards that are appropriately different for arctic breeds.
