Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

those in municipal laws. This law allows a county treasurer to pay clerical help either weekly or biweekly, at the discretion of the commissioners, consistent with recent changes to Maine's hour and wage laws. It also removes references to the Legislature in provisions governing adoption of a county budget because those provisions have been obsolete in all counties for a number of years.

LD 245

An Act To Enact an Immediate Review System in the Office of Program Evaluation and Government Accountability

PUBLIC 104

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CROSTHWAITE NASS R	OTP-AM	H-135

LD 245 proposed to establish within the Office of Program Evaluation and Government Accountability an immediate review system to provide immediate review of a program or function of a state agency or other entity in the event that there is a suspicion of a major auditing problem or major fraud or major mismanagement of public funds.

Committee Amendment "A" (H-135) proposed to strike the text "major auditing problem or major fraud" leaving major mismanagement as the cause for immediate review. The amendment also proposed to allow for an immediate review when there is a suspected mismanagement of public funds or functions. It would require the Director of the Office of Program Evaluation and Government Accountability to coordinate with the Attorney General, State Auditor, State Controller and others considered appropriate by the director.
