Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

| TUTTLE STRIMLING | OTP-AM MAJ ONTP MIN | H-30 |

LD 257 proposed to require an employer to notify employees at least one pay period in advance of any decrease in pay. It also proposed to provide an exception for changes made under a collective bargaining agreement.

Committee Amendment "A" (H-30) proposed to require employers to notify employees, including salaried employees, one working day prior to a decrease in pay taking effect, replacing the bill's requirement that notice be given one pay period in advance. The amendment also proposed to add language specifically excluding the notice requirement in cases when an employer temporarily increases an employee's wage rate to comply with prevailing wage requirements and to change the title of the bill.

Enacted law summary

Public Law 2005, chapter 18 requires employers to notify employees, including salaried employees, one working day prior to a decrease in pay taking effect. The law provides exceptions for changes in wages made under a collective bargaining agreement and for cases in which an employer temporarily increases an employee's wage rate to comply with prevailing wage requirements.
