Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

## Joint Standing Committee on Judiciary

**Committee Amendment "A" (H-466)** proposed to limit the requirement that the mortgagee provide a writ of possession when delivering the deed for property sold at auction after foreclosure to situations in which the mortgagee actually obtained a writ of possession during the foreclosure process.

### *Enacted law summary*

Public Law 2005, chapter 291 requires a lender who sells a property at auction after foreclosure to deliver the writ of possession, if such a writ was obtained, to the buyer along with the deed to the property.

**LD 483**

**An Act To Facilitate Real Estate Ownership**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BOWEN SAVAGE	ONTP	

LD 483 is a concept draft pursuant to Joint Rule 208. It proposed to amend real property law to allow a person who owns less than 100% of a parcel of property to gain clear title to that parcel if the person can prove that the parcel is in fact, if not in law, owned by the person. One method of proof, similar to the adverse possession laws, would be that the person made tax payments on the property for 20 years and that no one else made tax payments during this time.

**LD 491**

**PUBLIC 62**
