First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Judiciary

Public Law 2005, chapter 287 rewrites the provisions concerning the requirements for avoiding the dissolution of a mechanics lien to include providing notice to the owner or owners of the lien filing if the lien claimant does not have a contract with the owner or owners. Chapter 287 establishes a period during which the lien claimant and the contractor have the opportunity to work out the claim for payment underlying the lien before the lien claimant must provide notice of the filing of the complaint in court. The lien claimant must wait 30 days after filing the complaint against the contractor, the owner and other responsible parties to notify the owner of the property. The deadline for filing the return of service for serving the complaint on the owner, as provided in the Maine Rules of Civil Procedure, is tolled for 30 days, which is consistent with not serving the owner of the suit for 30 days.
