Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> BRENNAN NORTON		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> S-200
--	--	-----------------------------------	--	------------------------------------

LD 676 proposed to direct the Attorney General to bring suit against the Federal Government and any other appropriate parties if the federal funding provided to the State was insufficient to implement the No Child Left Behind Act of 2001. The Attorney General could seek the necessary funding or could seek relief from the imposition of the federal requirements for which funding was insufficient.

**Committee Amendment "A" (S-200)** proposed to direct the Attorney General to bring suit against the Federal Government if the State received insufficient federal funds to implement the federal No Child Left Behind Act of 2001. This amendment instead proposed to direct the Attorney General to determine whether an increase in federal funding was necessary to fully implement the federal Act in this State or whether there was a basis for relief from certain federal requirements. If, based on the review, the Attorney General determined that the federal funding was insufficient or there was a basis for relief, this amendment proposed to authorize the Attorney General to bring an action against the Federal Government and appropriate parties.
