Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

**LD 686**

**An Act To Amend the Maine Consumer Credit Code - Credit Services Organizations**

**PUBLIC 274**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BROMLEY	OTP-AM MAJ	S-198
GLYNN	OTP-AM MIN	

LD 686 proposed to change the title of the Maine Revised Statutes, Title 9-A, article 10 from "Maine Consumer Credit Code - Credit Services Organizations" to "Maine Consumer Credit Code - Loan Brokers." It proposed to enhance regulation of loan brokers. It proposed to change references to "credit services organization" to "loan broker," a descriptive term better understood by the industry and consumers. It also proposed to change the state application process from a registration process to a licensure process and from an annual to a biennial application. Because the current \$10,000 bond has proven inadequate to cover losses caused by loan brokers in several cases in 2004, the bill proposed to increase the surety bond to \$25,000. The bill proposed to require that license numbers appear in print advertising placed by a loan broker. The bill also proposed to permit regulators to establish a system of continuing education for loan brokers.

**Committee Amendment "A" (S-198)** was the majority report of the committee. It proposed to provide that the administrator may adopt rules requiring supervised lenders to satisfy initial and continuing educational requirements. The reasonable costs of meeting these educational requirements would be assessed to applicants.
