Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 713 proposed to create new grounds for divorce: fraud or financial misconduct. This bill proposed to require a court, upon a showing by the complaining spouse of fraud or financial misconduct by a preponderance of the evidence, to make the complaining spouse whole through the disposition of the marital assets and, if necessary, from the assets and future income of the spouse who committed the fraud or financial misconduct.

Committee Amendment "A" (H-579), the minority report of the Joint Standing Committee on Judiciary, proposed to provide that if a divorce is granted on the grounds of fraud or financial misconduct, the court must order the disposition of marital and nonmarital assets to make the complaining spouse whole. The fraud or financial misconduct must be proved by clear and convincing evidence. (Not adopted)

LD 715 proposed to provide that 7% of any fee collected after July 1, 2005 by the Judicial Department will be paid into the Maine Civil Legal Services Fund. It also proposed to increase from \$5 to \$10 the surcharge, imposed by the court on each civil fine, penalty or forfeiture imposed by the court, to be paid into the Maine Civil Legal Services Fund. The bill also proposed to provide an appropriation of \$400,000 each year for fiscal years 2005-06 and 2006-07 to support legal services to persons who are otherwise not able to pay for those services.

Committee Amendment "A" (H-582) proposed to expand the number of legal services providers that are eligible to receive funding from the Civil Legal Services Fund to include nonprofit organizations whose missions include the provision of free legal services, including the provision of civil legal services to needy people. It proposed to clarify that fees collected by the Judicial Branch for publications under the Maine Revised Statutes, Title 4, section 17-A and fees collected by the Court Alternative Dispute Resolution Service under section 18-A, subsection 8 would not be subject to the 7% distribution to the Civil Legal Services Fund. It proposed to delete from the bill the General Fund appropriation of \$400,000 in each of fiscal years 2005-06 and 2006-07.
