122nd Legislature
First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

## *Joint Standing Committee on Inland Fisheries and Wildlife*

**LD 980**

**An Act To Distribute Fees from All-terrain Vehicle Registrations**

**ONTP**

<u>Sponsor(s)</u> MOODY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 980 proposed to make a temporary ATV fee permanent by increasing the annual ATV registration fee for residents to \$20 and for nonresidents to \$38. This act also proposed to distribute all revenue generated from the registration of ATVs in a manner similar to the distribution of revenue from the registration of snowmobiles.

Currently, an additional \$3 temporary fee, scheduled to expire June 30, 2005, is imposed on the registrations of ATVs; the fee is dedicated to the ATV Recreational Management Fund in the Department of Conservation.

**LD 1004**

**An Act To Amend Certain Fish and Wildlife Laws**

**DIED BETWEEN  
HOUSES**

<u>Sponsor(s)</u> BRYANT B		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u>
-------------------------------	--	-----------------------------------	--	---------------------------

LD 1004 proposed to do the following:

Add bow and arrow, archery equipment and hunting equipment to the items subject to seizure but not subject to libel requirements under enforcement and court procedures.

Add 2 permits to the list of items available to resident disabled veterans, to make it consistent with the over-70 complimentary licenses and permits.

Correct the reference to the education program that is required for archery licenses.

Change the term "muzzle-loading license" to "muzzle-loading permit." It is not considered a license because a person must possess a firearms license in order to obtain this permit.

Change the penalty for hunting without a license from \$50 plus an amount equal to twice the applicable license fee to a \$100 fine. The \$100 fine would be consistent with other license violation penalties.

Remove the restriction would be for fishing with artificial flies of attaching the flies to a line so that anglers would be allowed to attach dropper flies to the shank of the hook.

Change the beginning date that the special hide dealer's license is valid from September 1st to August 1st so that it would fall within the time period that hunting seasons are open.

Clarify that lake and river protection stickers must be permanently affixed to watercraft and are not transferable.

Correct conflicts within the all-terrain vehicle laws.

Change language dealing with penalties to bring the inland fisheries and wildlife laws into conformity with MCJUSTIS.
