Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1053

An Act To Protect Maine Harness Racing from Illegal Wagering

PUBLIC 304

<u>Sponsor(s)</u> MARTIN		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> S-246
-----------------------------	--	-----------------------------------	--	------------------------------------

LD 1053 proposed to make it illegal to accept or solicit a bet concerning harness racing in the State by any means without a license from the State Harness Racing Commission. It proposed to allow a private right of action to any licensed commercial racetrack in the State against anyone conducting illegal wagering on harness racing in the State, with damages set at 20% of the monetary amount of the illegal wagering proved plus reasonable costs of collection and attorney's fees.

Committee Amendment "A" (S-246) proposed to replace the bill and build on the current law under which accepting harness racing wagers from anyone located in Maine is illegal unless the person accepting the wager is licensed by the Maine Harness Racing Commission. It proposed to create a private right of action to enforce the law with any damages, after the reasonable costs of suit, to be divided among the State's funds to provide for Maine's extended meets, harness racing purses, Maine's commercial tracks and Maine's off-track betting facilities. The damages are proposed to make up for the lost revenues experienced in Maine's harness racing industry because of electronic wagering that is not subject to the taxes placed on wagers legally placed in Maine. The amendment proposed to authorize damages for violations after written notice of the provisions of law.

Enacted law summary

Public Law 2005, chapter 304 creates a private right of action to enforce the unauthorized wagering law. Any damages, after the reasonable costs of suit, are to be divided among the State's funds to provide for Maine's extended meets, harness racing purses, Maine's commercial tracks and Maine's off-track betting facilities. The damages are intended to make up for the lost revenues experienced in Maine's harness racing industry because of electronic wagering that is not subject to the taxes placed on wagers legally placed in Maine. Punitive damages are authorized for violations after written notice of the provisions of this section.
