First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Judiciary

jurisdiction of the District Court until July 1, 2006 to allow the existing cases to be handled by the existing system.

Enacted law summary

Public Law 2005, chapter 326 makes statutory changes to the Maine Criminal Code in light of recent amendments to the Maine Rules of Criminal Procedure that eliminate the need for a bind-over hearing by starting a case that involves murder or at least one Class A, Class B or Class C crime, accompanied or unaccompanied by related Class D or Class E crimes, in the Superior Court rather than the District Court. Such a case is commenced by filing a criminal complaint directly in the Superior Court, unless an indictment has already been returned or an information filed, except as to a murder charge. The Superior Court will be responsible for conducting probable cause determinations to comply with County of Riverside v. McLaughlin, 500 U.S. 44 (1991) in these cases as well. Chapter 326 removes the District Court's jurisdiction to bind over for the Grand Jury certain crimes. It includes an effective date to make the bill take effect January 1, 2006, which is the effective date of the amendments to the Maine Rules of Criminal Procedure related to this bill that were recently adopted by the Supreme Judicial Court. The rules will not eliminate the bind-over jurisdiction of the District Court until July 1, 2006 to allow the existing cases to be handled by the existing system.

LD 1275 proposed to exempt electronic mail, or e-mail, addresses of individuals obtained by municipalities from public records that are subject to the freedom of access laws unless the municipality obtains the express permission of the individual to release the e-mail address.

Committee Amendment "A" (H-651), the minority report of the Joint Standing Committee on Judiciary, proposed to revise the language of the bill to provide that an electronic mail address of an individual collected by a municipality is not a public record if the individual requests that it not be disclosed separately or as part of a database or other aggregation of data.
