Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Criminal Justice and Public Safety

amendment proposed that criminal use of an electronic weapon is a Class D crime and that "electronic weapon" be defined similarly to the term in the bill except that the weapon be "designed to have a disabling effect upon human beings" rather than "to cause bodily injury or serious bodily injury to a person" as originally proposed.

Enacted law summary

Public Law 2005, chapter 264 criminalizes the intentional, knowing or reckless use of an electronic weapon by a person against another human being with 2 exceptions. First, the crime does not apply to the use of an electronic weapon by a law enforcement officer, corrections officer or corrections supervisor while engaged in the performance of public duty if an appointing authority has authorized such use of an electronic weapon under the circumstance. Second, the crime does not apply to the use of electronic weapons by persons when legally entitled to employ deadly force to protect themselves or 3rd persons pursuant to the Maine Revised Statutes, Title 17-A, section 108, subsection 2 or to defend their dwelling places pursuant to Title 17-A, section 104, subsections 3 and 4. Criminal use of an electronic weapon is a Class D crime. "Electronic weapon" is defined as a weapon "designed to have a disabling effect upon human beings." The definition is intended to include, but not be limited to, stun gun weapons, such as Tasers.

LD 1321 proposed to provide a procedure for the commitment of a person determined to be a sexually violent predator if a court finds that the person has a mental abnormality or personality disorder that makes it likely that the person will engage in predatory acts of sexual violence if not confined in a secure facility. LD 1321 proposed to provide protections to a person subject to commitment and to provide care and treatment. The bill proposed that a commitment is subject to annual review and that notice of release or discharge is required for victims, witnesses and other persons identified by the prosecuting attorney. This bill proposed to designate the Commissioner of Corrections and the Commissioner of Health and Human Services as responsible for providing secure facilities for sexually violent predators. This bill also proposed to coordinate release from a secure facility for sexually violent predators with supervised release for sex offenders under the Maine Revised Statutes, Title 17-A, chapter 50.
