Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

Committee Amendment "A" (S-189) proposed to replace the bill with a resolve directing the Workers' Compensation Board to consider adoption of the 5th edition of "Guides to the Evaluation of Permanent Impairment" as impairment guidelines and to report to the Joint Standing Committee on Labor by January 15, 2006 its determination of whether the 5th edition should be adopted and, if so, whether it has been adopted by board rule. The resolve also proposed to grant the committee authority to report out legislation to the Second Regular Session of the 122nd Legislature related to the board's report.

LD 1346

An Act to Require Employers and Employees to Provide a 2-Week Notice before Terminating Employment CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TWOMEY BRYAND B	OTP-AM ONTP	

LD 1346 proposed to require all employees to give 2 weeks' notice prior to quitting and employers, including the State and the Legislature, to give 2 weeks' notice prior to terminating an employee. The bill proposed that an employee who quits in violation of this requirement without reasonable cause would be subject to a forfeiture of one week's pay and that an employer who fails to provide 2 weeks' notice without reasonable cause would be required to provide the employee with 2 weeks' pay. Current law allows an employer and employee in a manufacturing or mechanical business to contract to give each other one week's notice of intention to quit or terminate employment.

Committee Amendment "A" (H-376), the majority report of the Joint Standing Committee on Labor, proposed to replace the bill. The amendment proposed to specify that a partisan legislative employee must be provided with at least a 2-week notice prior to being discharged, unless the termination is for reasonable cause. This amendment was not adopted.

LD 1346 was subsequently committed to the Joint Select Committee on Joint Rules and was carried over by H.P. 1203 to any special or regular session of the 122nd Legislature.
