### 122nd Maine Legislature Second Regular Session

#### Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla/billsumm.htm](http://www.state.me.us/legis/opla/billsumm.htm)).

RICHARDSON J EDMONDS	OTP-AM	H-620

LD 1518 proposed to establish, in Part A, the Consumer and Commercial Division pilot project within the Maine court system beginning January 1, 2006. The proposed purpose of this division is to administer and resolve disputes regarding issues related to business activity in a coordinated, responsive and speedy manner and to afford convenient and timely access for consumers, entrepreneurs, attorneys and any other party involved with business activity. Under the pilot project, the small claims division would be under the jurisdiction of the Consumer and Commercial Division in an attempt to streamline resolution of matters currently heard by it.

Part B of the bill proposed to establish the Consumer and Commercial Division Steering Committee. The steering committee would function as a partnership between the legislative and judicial branches of government. The steering committee, with membership reflecting a spectrum of interests, was proposed to work to develop proposals to implement this new project, determine relevant measurable outcomes and determine other areas of technology or infrastructure that could add additional efficiencies throughout Maine courts.
