First Regular Session and First Special Session

Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

The bill proposed to provide that a certified dental assistant or a licensed registered dental hygienist may qualify for certification as an expanded function dental assistant by successfully completing training in a school or program approved by the Board of Dental Examiners.

Committee Amendment "A" (H-601) proposed to limit the number of procedures the expanded function dental assistant may perform to the procedures listed in the bill and provides that the Board of Dental Examiners may further expand through rulemaking other reversible procedures that an expanded function dental assistant may perform. It also proposed to provide that the Board of Dental Examiners may establish an application fee, not to exceed \$100, as well as a certification renewal fee of not more than \$100.
