Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1495

An Act To Limit Corporate Influence Over the Political Process

ONTP

Sponsor(s) DUDLEY BROMLEY	Committee Report ONTP	Amendments Adopted
20221	ONTP	

LD 1495 proposed to change the definition of "person" for purposes of the Maine Business Corporation Act to specify that "person" means a natural person and not an entity such as a corporation, a state, the United States or a foreign government. The bill would therefore prohibit a corporation from engaging in political speech or activity using funds of the corporation, unless those funds are from a segregated account established specifically for the purpose of funding political speech or activity.

	OTP-AM	MIN	

LD 1501 proposed to reinstate the death penalty only for persons who murder family or household members.

Committee Amendment "A" (S-301), the minority report of the Joint Standing Committee on Judiciary, proposed to add an appropriations and allocations section. (Not adopted)

LD 1502

An Act To Implement Recommendations of the Family Law Advisory Commission

PUBLIC 323

Sponsor(s)	Committee Report	Amendments Adopted
_	OTP-AM	H-500

LD 1502 proposed to put into law recommendations of the Family Law Advisory Commission. It proposed to authorize a court to order payment of attorney's fees and costs while an action under the Maine Revised Statutes, Title 19-A is proceeding or when the action is completed. The bill proposed to delete attorney's fees provisions throughout Title 19-A that are duplicative. It proposed to add a family case management officer and a representative of the Judicial Branch's Court Alternative Dispute Resolution Service to the membership of the Family Law Advisory Commission. It proposed to allow for the closure of proceedings upon the request of one or more of the parties. It proposed to amend the definition of "decree of spousal support, support or costs" to include an order for the division and disposition of property connected to a divorce judgment, including, among other actions, proceedings to effectuate a qualified domestic relations order, to reach, attach or liquidate property or to quiet title. The bill also proposed to allow the court to order either parent to provide health insurance coverage for the child.

Committee Amendment "A" (H-500) proposed to delete from the bill the language authorizing closure from the public of any proceeding under the Maine Revised Statutes, Title 19-A at the request of one or more parties.
