Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1493 proposed to direct the Secretary of State to request that the United States Secretary of Transportation place Maine in the Atlantic Standard Time zone after approval by the voters at referendum.

Committee Amendment "A" (H-534) proposed to clarify that if Maine moves to Atlantic Standard Time there would be no recognition of daylight saving time and amends the referendum question to reflect this. The referendum would be held at the same time as the November election in 2006. The amendment proposed that the referendum may go ahead only if the costs are raised privately.

LD 1498 proposed to establish the Committee to Study the Establishment of a Memorial for Emergency Medical Services Personnel. The committee is directed to study issues and make recommendations regarding the establishment of a memorial to honor emergency medical services personnel who have fallen in the line of duty and others who have made significant contributions to the development of the statewide Maine emergency medical services system. The resolve also proposed to direct that space be set aside for the Maine Emergency Medical Services Memorial in the area of the State House grounds adjacent to the memorials to firefighters and law enforcement personnel.

Committee Amendment "A" (S-222) proposed to require the Committee to Study the Establishment of a Memorial for Emergency Medical Services Personnel to coordinate with the Capitol Planning Commission rather than the Legislative Council. The Department of Administrative and Financial Services, Bureau of General Services is to provide staff assistance rather than the Office of Policy and Legal Analysis. The amendment requires the committee, if outside funding is received, to hold up to 4 meetings, one of which must be a public hearing. The committee must submit its initial report to the Capitol Planning Commission by January 2, 2006 and the final report by March 1, 2006. The Capitol Planning Commission must submit its initial report to the Committee on State and Local Government by January 15, 2006 and its final report by March 15, 2006.

House Amendment "A" to Committee Amendment "A" (H-709) proposed to bring the resolve into conformity with the Joint Rules and Standards for Legislative Studies adopted by the Legislative Council.

LD 1536 proposed to establish 8 county districts. It would empower the commissioners of a county district to impose an additional real estate transfer tax on the transfer of property contained in that county district; the first \$200,000 of the sales price would be exempt from the new tax. The revenue from the additional real estate transfer tax must be used to pay for police and record-keeping services for the county district.

The bill also proposed to allow a county district to transfer responsibility for every county jail located in that county district to the State by voting to pay an extra penny per dollar on the sales and use tax for sales in that county district. The revenue from the additional sales and use tax must be used to defray the costs of the Department of Corrections.

The bill also proposed to provide an appropriation of \$1,000,000, spread out over as many as 5 years, to a district county that comprises more than one county that combines the police and record-keeping services of the counties located in that county district.

The 8 county districts created by the bill are: county district 1, York County; county district 2, Cumberland County; county district 3, Androscoggin County, Oxford County and Franklin County; county district 4, Somerset County and Kennebec County; county district 5, Penobscot County and Piscataquis County; county district 6, Sagadahoc County, Lincoln County, Knox County and Waldo County; county district 7, Hancock County and Washington County; and county district 8, Aroostook County.
