Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Amendments Adopted

LD 1520 is a concept draft that proposed to provide reimbursement for road maintenance to property owners in the unorganized territory. To be eligible for reimbursement, a property owner must be a member of an organized road association that has a road maintenance plan, that maintains at least 4 miles of road and that permits year-round recreational access to the public over roads maintained by the association, including access to boat launches and snowmobile trails. This reimbursement would be at a per mile rate and based upon how many miles of road an association maintains. A portion of the property taxes paid by these property owners would be used to provide this reimbursement.
