Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act To Update Professional and Occupational Licensing Laws

PUBLIC 347

<u>Sponsor(s)</u> FARRINGTON BROMLEY	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-522
--	-----------------------------------	------------------------------------

LD 1524 proposed several statutory changes in laws regarding occupational licensing standards, electrician licensing, veterinary medicine, accountancy practice, transient seller registration and the jurisdiction of state propane inspectors over dispensing stations. The bill proposed to do the following:

1. Expand the list of licensing entities that may consider an applicant's prior criminal conviction history in the professional licensing process;
2. Remove an inaccurate and unnecessary reference to the definition of "household;"
3. Simplify references to the Maine Revised Statutes, Title 17-A in the Maine Veterinary Medicine Practice Act; references to Title 17-A provisions setting forth grounds for disciplinary action are replaced with narrative descriptions of those provisions;
4. Remove unnecessary transition language from the statute regulating accountancy practice. Language is added to authorize the Board of Accountancy to recognize an applicant's work completed under the supervision of a licensed professional of another country as satisfying the required work experience to obtain a certified public accountant license;
5. Amend the definition of "merchandise" in the transient seller registration laws to exclude insurance products from the definition because the insurance industry is already regulated by the Bureau of Insurance; and
6. Clarify the jurisdiction of state propane and natural gas inspectors.

Committee Amendment "A" (H-522) proposed to change the definition of "merchandise," as amended by Public Law 2005, chapter 65, and it also proposed to add the Maine Board of Pharmacy to the list of licensing programs that may consider criminal convictions for sexual misconduct by an applicant or licensee.

SMITH N DOW	OTP-AM	H-583 H-638 SMITH N

LD 1525 proposed to amend the real estate brokerage license laws as follows:

- 1. Clarify the definitions of the words "real estate brokerage agency" and "agency";
- 2. Repeal the current real estate brokerage contract section and enact a section titled "Brokerage agreements." Brokerage agreements between a real estate company providing brokerage services to a client seller or buyer would be required to be in writing, to include 4 specific contract provisions and to terminate a real estate company's rights to enforce an agreement after the expiration date against a client who engages the services of another real estate brokerage agency;
- 3. Amend the trust account section to permit brokerage trust accounts to be maintained only in a federally insured financial institution authorized to do business in this State, as defined in the Maine Revised Statutes, Title 9-B, section 131, subsection 17-A, or a credit union authorized to do business in this State as defined in Title 9-B, section 131, subsection 12-A, and authorize the Real Estate Commission to adopt rules to establish standards by which trust account records are to be maintained;
- 4. Enact a section that authorizes the Real Estate Commission to adopt rules establishing the requirements for real estate companies to maintain brokerage records, including a retention schedule;
- 5. Amend the agency relationship subchapter and establish a nonagent presumption standard for real estate brokerage companies called "transaction broker." The roles of the transaction broker, buyer agent, seller agent and disclosed dual agent are clarified and the responsibilities to buyers and sellers are established; and
- 6. Adopt an effective date of January 1, 2006 for the bill.

Committee Amendment "A" (H-583) proposed to provide for a sunrise review of commercial leasing by the Department of Professional and Financial Regulation. It also proposed to create a private cause of action by which an affected party may seek a court-ordered injunction to prohibit unlicensed activity. The amendment does not affect the authority of the Attorney General's office to investigate and prosecute unlicensed activity. It also proposed to amend the education provisions for real estate brokerage licensees by increasing the continuing education requirement for licensees from 15 hours to 21 hours and makes the commensurate adjustment to the continuing education required for reinstatement. It proposed to remove the requirement that associate real estate
